Mission Statement

Parental Involvement Mission Statement (Optional)

Response: Everglades Preparatory Academy High School believes that a positive parent and school relationship is a valuable and essential component of student achievement. In the spirit of the school and family, we encourage participation in the operations and school educational planning. The Parent Involvement Plan seeks to strengthen the partnership of all stakeholders: parents, guardians, faculty, staff, and the community by providing opportunities for parental involvement in decision making as members of school site planning teams and parent groups. Implementing training programs to help individual parents support their child at home will strengthen this

partnership. As a fairly new school, we need to support parents in their choices for their children's education and provide opportunities for parents to increase their involvement.

Involvement of Parents

Describe how the school will involve parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of Title I programs including involvement in the decisions regarding how funds for parental involvement will be used [Sections 1118(c)(3), 1114(b)(2), and 1118(a)(2)(B)].

Response: Everglades Preparatory Academy High School is of the opinion that involving parents in every aspect of its Title I program increases its effectiveness. EESAC parent representatives are elected by parents during a parent meeting. The EESAC bears the responsibility for the development, implementation, and evaluation of the diverse school site plans, including the School Improvement Plan and Parent Involvement Plan. The majority of the members of the EESAC are parent (non-employee) representatives. Prior to final approval, all parents were given the chance to review the plans and provide feedback. For the Parent Involvement Plan, parents were provided the opportunity to provide input on materials, activities, and training they felt they needed to help their child be successful. This input was reviewed by the EESAC to ascertain whether the plan needed revisions. At EESAC meetings, the members will review and offer revisions based on parental input. The expenditure of parent involvement funds will also be reviewed in the development of the budget. The input from the parents will be documented in the minutes of the EESAC meeting

Coordination and Integration

Describe how the school will coordinate and integrate parental involvement programs and activities that teach parents how to help their children at home, to the extent feasible and appropriate, including but not limited to, other federal programs such as: Head Start, Early Reading First, Even Start, Home Instruction Programs for Preschool Youngsters, the Parents as Teachers Program, public preschool, Title I, Part C, Title II, Title III, Title IV, and Title VI [Section 1118(e)(4)].
